

Appendix One – Summary table of notifications received, any actions taken by WorkSafe, any enforcement action taken by WorkSafe

Date	PCBU	Notification Summary / Event Summary	Regulatory Response
25 June 2024	Arise Church	Volunteer injured while clearing gorse, was transported to hospital by ambulance.	Closed as no immediate action (NIA), does not meet the threshold for intervention.
24 August 2023	Arise Church	During a game with Nerf guns a person was accidentally shot in the eye and needed to seek medical attention.	Nil. This event does not meet the threshold therefore is not notifiable to WorkSafe.
4 April 2023	Arise Church	No injury occurred. Unsafe behaviour while using a forklift.	Nil. This does not meet the criteria to be notified to WorkSafe.
4 May 2022	Arise Church	Two notifications were received on the same day. One notification concerned that the church was exploiting their interns and staff, long hours and some interns completing work they should be being paid for. Toxic culture with bullying and a power imbalance. (Different notifier to above, event on the same date). Concern about unsafe conditions, bullying and sexual harassment	WorkSafe conducted a Workplace Assessment and on 2 August 2022 issued a Health and Safety at Work Act Improvement Notice, this was complied with on 8 December 2022.
